

MLCOE DESIGN TASK

Recruitment Assignment & Technical Assessment

UI/UX DESIGNER TASK

Project: Event Poster Design for an MLCoE Event

Objective

Design an engaging, visually appealing poster for any MLCoE event of your choice (e.g., a workshop, hackathon, seminar, tech talk, or recruitment drive). The poster should clearly communicate the event details, reflect MLCoE's brand identity, and create excitement among students to participate.

Requirements

The poster should include:

- Event Name / Title
- Date, Time, and Venue
- A short, engaging description of the event
- MLCoE branding and logo placement
- Call-to-Action (e.g., "Register Now", "Join Us")
- QR Code / Website or registration link placeholder
- Organizer: Machine Learning Centre of Excellence (MLCoE)

Deliverables

- Final poster in PDF and PNG formats (A3 or A4)
- Source file (PSD or Figma)
- Brief concept note (150 words): explain your choice of event, visual theme, color palette, and typography

Evaluation Criteria

- Visual impact and appeal
- Clarity and completeness of event information
- Creativity and originality
- Typography and composition
- Consistency with MLCoE brand identity
- Relevance and suitability for the chosen event

GRAPHIC DESIGNER TASK

Project: MLCoE Logo Redesign

Objective

Reimagine and redesign the official logo of the Machine Learning Centre of Excellence (MLCoE). The new logo should feel fresh, modern, and memorable, while still reflecting MLCoE's identity as a hub for machine learning, innovation, and technical excellence.

Requirements

The submission should include:

- Primary redesigned logo (full version, with wordmark)
- Icon-only / favicon variation of the logo
- Black & white (monochrome) version for single-color use cases
- Color palette and typography used in the design
- Brief rationale connecting the design choices to MLCoE's ML/AI identity

Deliverables

- Final logo files in PNG, vector (SVG/AI), and PDF formats
- Source file (Illustrator, Figma, Canva, or Photoshop)
- Brief concept note (150 words): explain your symbolism, color theory, and typography choice

Evaluation Criteria

- Originality and creativity
- Scalability and versatility across sizes and use cases
- Relevance to MLCoE's identity and values
- Simplicity and memorability
- Typography and color choices
- Overall professional execution

Assessment Guidelines

- All work must be original.
- Submit your designs before the specified deadline.
- Be prepared to explain your design process and decisions.
- For any queries, contact the MLCoE team through the official communication channels.

Note: Both tracks (UI/UX Designer and Graphic Designer) are evaluated independently. Candidates should attempt the task relevant to the role they are applying for, unless instructed otherwise by the MLCoE team.
